

Burnham 1 Light Small Exterior Wall Bracket in Black with Opal Glass

SKU: 231455

Details

The Burnham exterior wall light range combines traditional architectural styling with durable outdoor performance. Available in two sizes, the range features a clean black frame paired with an opal glass diffuser that softens light output and creates a welcoming glow for entryways, garages and exterior walls. Constructed from aluminium and glass, the Burnham range is coastal rated and IP44 weather resistant for reliable outdoor use. The replaceable globe design provides flexibility to choose the preferred light output, while the opal glass shade helps reduce glare and distribute light evenly. With its timeless silhouette and understated detailing, Burnham suits both classic and contemporary homes.
