Details

The Campari wall light range features a refined interpretation of mid-century design, combining metal shades with natural travertine detailing. Available in five colourways – white with aged brass and white marble, black with bronze and green marble, beige with aged brass and natural travertine, brushed nickel with textured black and silver travertine, and brushed copper with antique brass and rose travertine – the range brings texture and material contrast to contemporary interiors. Designed for an ES globe up to 45W, the Campari range provides ambient lighting for bedrooms, living areas, hallways or study nooks. The adjustable wall light format offers flexibility for bedside or accent lighting applications.
