Details

Enhance the ambiance of your modern home with the sophisticated Campari light pendant. Inspired by classic mid-century designs, the Campari pendant light combines striking monochromatic form with rich metalware and timeless marble. This exquisite pendant is available in two finishes; white with white marble and brass or black with green marble and bronze. The single pendants are well proportioned and perfect for beside or island benches, while the 2 light is a more dramatic statement piece.
The 2 light offers the flexibility to adapt to your room with arms that can be maneuvered and locked into place and shades that rotate and direct light as desired. The extended length and asymmetry of the arms are purposeful and playful. And while this fitting won't be suitable for all homes and ceiling heights, its unique design is sure to be conversational.
