

Carolina II 142cm DC Fan in Brass with Teak Blades

SKU: 211030

Details

The Carolina II ceiling fan range pairs woven rattan detailing with clean, contemporary styling. Available in white with whitewashed blades, brass with teak blades, and bronze with walnut blades, the range offers a refined natural aesthetic that complements coastal, contemporary and relaxed interior spaces.

Featuring three tapered blades with integrated rattan inserts, the Carolina II combines decorative appeal with efficient airflow from its energy-saving DC motor. The 142cm blade span makes it well suited to bedrooms, living rooms and other medium to large indoor spaces, while the included rechargeable remote provides convenient six-speed control. Wi-Fi adaptability offers the option for smart control integration, adding flexibility to everyday use. With its blend of natural textures, metal finishes and modern performance, the Carolina II range delivers both comfort and character to the home.

DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC or direct current fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

Remote Control

6-speed rechargeable remote control. *USB-C cord and charger are not included. For instructions on how to pair the remote, please follow the steps in this video: Remote Pairing

Smart Compatible

Insert the Lucci Connect Wi-Fi Module (sold separately **-** 216180) into the receiver to activate smart functionalities. Once paired with the Lucci Connect app, you can turn your fan on/off, adjust its speed, set timers, and even create schedules based on the temperature outside.

Indoor Rating

Suitable for indoor use only.

Recommended Room Size

For rooms between 4m x 4m or greater, we recommend a fan between 142cm and above.

2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans that were purchased from 1st October 2022. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.
