

Cedar 1.5m LED Pendant in Ribbed Black Wood

SKU: 020731

Details

The Cedar collection brings sculptural warmth and architectural light to contemporary interiors.
Bold yet beautifully restrained, the Cedar 1.5m LED pendant combines a sleek linear silhouette with ribbed black wood. The deep finish and tactile surface create a confident feature above dining tables, kitchen islands and open-plan interiors, while the slim polycarbonate diffuser keeps the overall look crisp and considered.
The integrated 40W LED produces 2200 lumens with a CRI above 90. Select warm white 3000K, cool white 4000K or daylight 5000K to complement the space, and adjust the dimmable light level for everything from focused tasks to relaxed evening ambience.
Its 1500mm span and 2000mm suspension give the pendant strong visual presence without overwhelming the room. Complete the look with the wider Cedar range, including cylindrical pendants in two sizes, linear wall sconces in three sizes and a coordinating flush mount.
