

Cedar 1.5m LED Pendant in Ribbed Walnut

SKU: 020730

Details

The Cedar collection brings sculptural warmth and architectural light to contemporary interiors.
Designed as a refined focal point, the Cedar 1.5m LED pendant pairs a generous linear profile with richly ribbed walnut timber. Its tactile grain and streamlined form bring natural depth above dining tables, kitchen islands and open-plan living spaces, while the slim polycarbonate diffuser creates a clean, contemporary finish.
The integrated 40W LED delivers 2200 lumens of high-quality light with a CRI above 90. Choose between warm white 3000K, cool white 4000K and daylight 5000K to shape the atmosphere, then use the dimmable function to tailor the brightness to the moment.
With a 2000mm suspension, this 1500mm pendant balances statement scale with an elegant sense of lightness. Complete the look with the wider Cedar range, including cylindrical pendants in two sizes, linear wall sconces in three sizes and a coordinating flush mount.
