

Cedar 1.5m LED Pendant in Ribbed White Wood

SKU: 020732

Details

The Cedar collection brings sculptural warmth and architectural light to contemporary interiors.
Light and quietly sculptural, the Cedar 1.5m LED pendant brings a fresh architectural presence through its ribbed white wood finish. The softly textured timber and streamlined profile sit beautifully above dining tables, kitchen islands and calm open-plan spaces, while the slim polycarbonate diffuser supports a clean, minimal aesthetic.
The integrated 40W LED delivers 2200 lumens with a CRI above 90. Move between warm white 3000K, cool white 4000K and daylight 5000K to suit the mood and use the dimmable function to create the right level of illumination throughout the day.
Measuring 1500mm wide with a 2000mm suspension, this pendant makes an elegant statement while retaining a sense of visual lightness. Complete the look with the wider Cedar range, including cylindrical pendants in two sizes, linear wall sconces in three sizes and a coordinating flush mount.
