

Cedar 1.8m LED Pendant in Ribbed Black Wood

SKU: 020734

Details

The Cedar collection brings sculptural warmth and architectural light to contemporary interiors.
Striking in scale and finish, the Cedar 1.8m LED pendant layers ribbed black wood over a streamlined linear silhouette. The dark, tactile surface creates a dramatic architectural feature above long dining tables, generous kitchen islands and open-plan interiors, while the slim polycarbonate diffuser keeps the design precise and contemporary.
The integrated 60W LED produces 3300 lumens with a CRI above 90. Choose warm white 3000K, cool white 4000K or daylight 5000K to define the mood, and use the dimmable function to shift from bright task lighting to a more intimate glow.
Its 1800mm width and 2000mm suspension make it a confident centrepiece for larger spaces. Complete the look with the wider Cedar range, including cylindrical pendants in two sizes, linear wall sconces in three sizes and a coordinating flush mount.
Why you'll love it:
1800mm linear pendant in ribbed black wood
Integrated 60W LED producing 3300 lumens
Selectable 3000K, 4000K and 5000K colour temperatures
Dimmable for flexible ambience
CRI above 90 for accurate colour rendering
2000mm suspension for versatile placement
Backed by a 3-year warranty

Specifications

SKU	020734
