

# Cedar 1.8m LED Colour-Shifting Pendant in Ribbed White Wood

SKU: 020735

\$1,495.00 (inc GST)

## Details

Minimalist linear styling meets textural beauty in our Cedar collection. Energy-efficient LED's are embedded in natural timber, softened by elegant ribbed detailing to create a striking yet subtle impact. Available in a tranquil whitewash finish or a bold black wood for a true statement.

## Specifications

|                     |                                                                                                                                                                          |
