

Cedar 1.8m LED Pendant with Extended Suspension in Ribbed Black Wood

SKU: 020737

Details

The Cedar collection brings sculptural warmth and architectural light to contemporary interiors.
Made for dramatic ceiling heights, the Cedar 1.8m LED pendant with extended suspension pairs a streamlined linear form with richly ribbed black wood. The deep finish and tactile surface bring architectural definition above long dining tables, stair voids, kitchen islands and double-height spaces, while the slim polycarbonate diffuser keeps the silhouette refined.
The integrated 60W LED delivers 3300 lumens with a CRI above 90. Select warm white 3000K, cool white 4000K or daylight 5000K to shape the atmosphere, then use the dimmable function to fine-tune the light level.
A generous 6000mm suspension gives this 1800mm pendant the flexibility required for high ceilings and elevated installations. Complete the look with the wider Cedar range, including cylindrical pendants in two sizes, linear wall sconces in three sizes and a coordinating flush mount.
Why you'll love it:
1800mm linear pendant in ribbed black wood
Extended 6000mm suspension for high ceilings
Integrated 60W LED producing 3300 lumens
Selectable 3000K, 4000K and 5000K colour temperatures
Dimmable for flexible ambience
CRI above 90 for accurate colour rendering
Backed by a 3-year warranty
