

Cedar 2.2m LED Pendant in Ribbed Black Wood

SKU: 020736

Details

The Cedar collection brings sculptural warmth and architectural light to contemporary interiors.
Designed to anchor expansive interiors, the Cedar 2.2m LED pendant combines an elongated linear profile with the depth and rhythm of ribbed black wood. Its generous scale creates a dramatic focal point above extra-long dining tables, substantial kitchen islands and open-plan entertaining areas, while the slim polycarbonate diffuser maintains a polished architectural finish. The integrated 65W LED produces 3500 lumens with a CRI above 90. Select warm white 3000K, cool white 4000K or daylight 5000K to complement the space, and use the dimmable function to transition from practical illumination to atmospheric light.
At 2200mm wide with a 2000mm suspension, this pendant is made for bold proportions and considered contemporary spaces. Complete the look with the wider Cedar range, including cylindrical pendants in two sizes, linear wall sconces in three sizes and a coordinating flush mount.
Why you'll love it:
2200mm linear pendant in ribbed black wood
Integrated 65W LED producing 3500 lumens
Selectable 3000K, 4000K and 5000K colour temperatures
Dimmable for flexible ambience
CRI above 90 for accurate colour rendering
2000mm suspension for versatile placement
Backed by a 3-year warranty
