

Cedar 2.2m LED Pendant with Extended Suspension in Ribbed Black Wood

SKU: 020738

Details

The Cedar collection brings sculptural warmth and architectural light to contemporary interiors.
Designed for grand proportions, the Cedar 2.2m LED pendant with extended suspension brings together an elongated architectural profile and the bold texture of ribbed black wood. Its impressive span creates a commanding focal point above extra-long tables, large kitchen islands, stair voids and double-height interiors, balanced by a slim polycarbonate diffuser for a clean contemporary finish.
The integrated 65W LED produces 3500 lumens with a CRI above 90. Choose warm white 3000K, cool white 4000K or daylight 5000K to complement the setting, and use the dimmable function to tailor the brightness from functional to atmospheric.
With a 2200mm width and generous 6000mm suspension, this pendant is ideally proportioned for elevated ceilings and expansive spaces. Complete the look with the wider Cedar range, including cylindrical pendants in two sizes, linear wall sconces in three sizes and a coordinating flush mount.
Why you'll love it:
2200mm linear pendant in ribbed black wood
Extended 6000mm suspension for high ceilings
Integrated 65W LED producing 3500 lumens
Selectable 3000K, 4000K and 5000K colour temperatures
Dimmable for flexible ambience
CRI above 90 for accurate colour rendering
Backed by a 3-year warranty
