Welcome a delicate floral fragrance into your home with the Celia Loves Large Candle in Neroli + Honeysuckle. Reimagining the brand's Japanese Honeysuckle fragrance, this 395g scented candle captures the warm, green character of a sweet flowering vine with a light floral musk. Hand-poured on Victoria's Surf Coast, it brings a softly sweet accent to everyday spaces.

White tea, red berries, mandarin and sweet orange create a bright opening, leading into cassis, ylang-ylang, rose and green leaves. Cedarwood and vanilla provide a softly grounded base.
