

Chiara 1 Light Spotlight in Aged Brass with Opal Glass

SKU: 151066

$149.00 (inc GST)

Details

The Chiara spotlight range pairs aged brass with opal glass or brushed chrome with clear glass, offering a refined spotlight option across both single-light and three-light bar formats. The glass shades soften and broaden the light output compared to traditional metal spotlights, creating a more decorative lighting effect. Each fitting features SES (E14) lampholders with adjustable heads, allowing tilt up to 90° and rotation up to 330° for flexible directional lighting. The stepped backplate detail adds depth and structure to the design, creating a cohesive and well-considered look across the range. Available as a single spotlight or a three-light bar, Chiara works well for ceiling or wall applications, particularly in open areas where wider light distribution is required. The bar version is also well suited above mirrors, making it a practical option for bathroom vanity lighting.
