Cipher 500mm Bladeless DC Fan with LED Light in White

SKU: 213285

Details

Discover the future of comfort with our innovative Bladeless Ceiling Fan. Featuring advanced Impeller Motor technology, this low-profile design is ideal for bedrooms, combining whisper-quiet performance with energy efficiency. A feature-rich LED light enhances your space with 95+ CRI brilliance, smooth dimming, and colour shifting—all easily controlled by remote, ensuring both style and convenience in one sleek solution.

Low Profile

Low profile fans that fit your space are necessary if your home has low ceilings. Some of these ceiling fans only protrude 24.5cm from the ceiling, allowing them to sit flush against the ceiling. This makes the space safer for everyone in your house and makes it appear less cluttered and more open.

DC Motor - Efficient, Cost Saving, and Quiet

The most energy-efficient ceiling fans on the market right now are DC or direct current, fans. The key to their improved airflow and low energy consumption is their motor, which also helps you save money on your electricity bill. Since the motor is small and light, DC ceiling fans have sleek designs that fit better in your interiors and cost just one cent an hour to run. Additionally, they are silent in operation, making them ideal for private spaces in your house like the bedroom. You have a lot of versatility with the speed settings of DC fans, which range from a light breeze to an extremely intense airflow.

Remote Control

6-speed remote control with soft breeze mode included.

Integrated LED Light

Included is an in-built bright CCT LED light.

Colour Changing Technology

Change the integrated LED light to Warm White, Cool White, or Day Light, as well as dim the brightness all via the included remote.

Indoor Rating

Suitable for indoor use only.

Recommended Room Size

For rooms up to 3m x 3m, we recommend a 122cm fan or lower.

2-Year In-Home + 7-Year Motor Replacement Warranty

We provide a 2-year in-home warranty and a 7-year motor replacement warranty on all hard-wired Lucci or Fanaway fans

that were purchased from 1st October 2022. Plus, if you have your fan purchased or installed by a Beacon Lighting Trade member, we'll extend your in-home warranty on the nominated Lucci or Fanaway fan for an extra 1 year, which means you'll enjoy a 3-year in-home warranty.

Specifications
