Details

Bring a clean, architectural finish to your interior with the **City III Fixed LED Downlight in White**. Its low-profile form sits neatly within the ceiling, while the crisp white finish blends effortlessly with contemporary spaces.
This 11.5W recessed downlight delivers up to 1050 lumens and features a 90mm cut-out. Select Warm White (3000K), Cool White (4000K) or Daylight (5000K) using the built-in switch. The **Scene Change at the Wall Switch** functionality offers convenient control from the wall switch. Dimmable performance makes it easy to shape the ambience from functional brightness to a softer evening glow.
With an **IP44 rating** for added protection against splashes, the fixed City III downlight is a considered lighting choice for kitchens, bathrooms and everyday living areas. A 5-year warranty completes the design. The City III Fixed range is also available in Black, Brushed Chrome and Brass.
