Details

Make directional lighting part of the interior palette with the **City III Gimble LED Downlight in Brass**. The adjustable design focuses light on artwork, surfaces or architectural features, while the warm brass finish adds a sophisticated decorative note.
Made for a 92mm cut-out, this 11.5W recessed gimbal downlight provides up to 1050 lumens. A built-in switch lets you select Warm White (3000K), Cool White (4000K) or Daylight (5000K). The **Scene Change at the Wall Switch** functionality offers convenient control from the wall switch. Dimmable output offers effortless control over focus, brightness and mood.
Perfect for layered lighting in contemporary living spaces, hallways and feature areas, the City III combines precise adjustability with a refined design and a 5-year warranty. The City III Gimble range is also available in White, Black and Brushed Chrome.
