

Contempo 1.2m LED Up/Down Pendant in Black

SKU: 020725

Details

CONTEMPO collection

Elevate contemporary interiors with the refined simplicity of the CONTEMPO collection. Defined by its ultra-slim silhouette and softly rounded profile, this minimalist linear pendant creates a clean architectural statement above kitchen islands, dining tables and other surface-focused spaces, where both style and illumination are equally important.

A seamless line of light delivers balanced downward illumination, while a subtle uplighting component adds depth and ambience to the surrounding space. Featuring integrated Scene Change via Toggle Switch technology, the preferred light colour can be selected during installation, allowing the fitting to complement the room and its intended use.

Available in timeless Matte Black and Matte White finishes, and in both 1.2m and 2.2m lengths, the CONTEMPO collection offers a sophisticated lighting solution that pairs understated design with everyday versatility, bringing a refined architectural presence to modern Australian homes.

TIP

For the most balanced result, install CONTEMPO centrally above a kitchen island or dining table to highlight the surface below while the uplighting softly enhances the ceiling and surrounding space.

Specifications

SKU	020725
