Details

The Create II suspension kit is an IP44-rated solution, ideal for bathrooms and protected outdoor areas. Available in black and chalk white, it's compatible with Create II shades and finishing kits, as well as shades from the Caledo and Tamarind ranges. With adjustable colour temperatures and dimmable settings, you can easily change scenes via the wall switch. The sleek, modern design makes it perfect for minimalist spaces, and it's backed by a 3-year warranty for peace of mind. Create II is a collection of cord sets, finishing kits and shades that allow you to create a personalised, minimalist pendant in various colour combinations and shapes. Mix and match for over 250 configurations, exploring combinations of cord colours, shades and finishing kits to find the perfect pairing for your space. The Create II comes with a threaded ring that allows you to attach a variety of DIY shades to create a unique pendant. The ring can also be attached at the top or the bottom of the finishing kit, allowing you to better position the globe within the shade or expose more of the finishing kit. Please note this suspension cord requires a Create II finishing kit, sold separately. Optional shades are sold separately.
