

Create II 1 Light 6m Suspension Cord in Black

SKU: 011473

Details

Create II is a collection of cord sets, finishing kits and shades that allow you to create a personalised, minimalist pendant in various colour combinations and shapes.
Mix and match for over 250 configurations, exploring combinations of cord colours, shades and finishing kits to find the perfect pairing for your space.
The Create II comes with a threaded ring that allows you to attach a variety of DIY shades to create a unique pendant. The ring can also be attached at the top or the bottom of the finishing kit, allowing you to better position the globe within the shade or expose more of the finishing kit.
Please note this suspension cord requires a Create II Finishing Kit, sold separately. Optional Shades are sold separately.
