

Cumulus 1.5m LED Linear Pendant in Brass

SKU: 028234

Details

The Cumulus linear pendant offers a perfect blend of modern and minimalist style, available in matte black and brass finish. Crafted from metal and PVC, it's designed for practical task lighting with a touch of drama. The gentle curves create depth, making it stand out from other linear designs.
Ideal for island benches and dining areas, the Cumulus pendant is especially suited for deeper island benches where a slimline pendant might feel too narrow. With dimmable functionality and a 3-year warranty, it combines both elegance and practicality for your lighting needs.
