

Custom 100mm 11.5W LED Recessed Tri Colour 90mm Cut Out Downlight in White

SKU: 170822

$59.95 (inc GST)

Details

The Custom LED Tri-Colour 100mm Dimmable Downlight is suitable for use throughout the interior of your home. This 100mm Dimmable Downlight comes with an integrated LED, at 800 lumens (when set to cool white).
This downlight has a colour switch option, meaning you can select your colour temperature depending on the light colour type you require for the room. Select either 3000K Warm White, 4000K Cool White, 5000K Daylight via the switch on the top of the downlight.
You can also select the colour change via the wall switch mode, which allows you to change the colour temperature at any time after installation via the wall switch.
Please note, that you must choose the colour temperature or colour change via the wall switch before your electrician installs the downlight into the ceiling.
