Daria Wall Bracket Collection

The Daria collection invites you to mix and match, offering wall brackets and shades sold separately to create a lighting solution tailored to your style. Available in chalk white, aged brass, or bronze, the wall brackets can be paired with shades in white linen, natural linen, or natural rattan. Whether styled with a shade for added texture or without for a minimalist look, the Daria wall bracket complements a variety of interiors, from coastal and Hamptons to mid-century and rustic.

Equipped with a toggle switch and USB-C fast-charging port, the Daria wall bracket combines practical functionality with timeless design, making it ideal for bedrooms, hallways, or entryways. Its versatile appeal ensures it enhances any space with ease.

TIP: For a classic interior, pair the aged brass bracket with a white linen shade. For an elevated farmhouse vibe, combine the bronze bracket with a rattan shade. Experiment with finishes and materials to create a look that's uniquely yours.
