

Dion 2 Light Table Lamp in Gloss White Glass

SKU: 270432

Details

Minimalism has never looked so opulent. The Mid-century inspired Dion lamp radiates its light through both, its glass base and glass shade with a translucent glow. Its gentle curved design and frosted globes (not included) are perfect for softening a space and creating a warm, inviting feel.
Note: the Dion requires 2x different globes, with a G9 globe in the base, and an SES/E14 Globe in the shade, both sold separately.
