

Discus 12/24V LED Bollard in Black

SKU: 221018

Details

The Discus bollard is a low-voltage 12/24V LED fitting designed for modern outdoor spaces. Finished in black and crafted from aluminium and glass, it's coastal rated and IP65 certified for reliable performance in exposed environments. Ideal for paths and garden beds, the Discus features a distinctive reflector that projects light outwards, illuminating a broader area with minimal glare. Installation is flexible thanks to the included flat surface bracket and garden spike, and the DIY quick-connect system ensures straightforward setup. This minimalist bollard is backed by a 5-year warranty and positioned at a mid-range price point.
