SKU: 290837

$36.95 (inc GST)

Details

Deliver reliable power to demanding professional equipment with the **Procell Intense Power AA Alkaline Batteries 24 Pack**. Procell PX1500 1.5V industrial AA batteries are specifically engineered to last longer than prior Procell Alkaline AA batteries in high-drain devices that require sustained power or peaks of power.
Procell code: PX1500
IEC code: LR6
Voltage: 1.5V
Nominal capacity: 3,112mAh
Pack size: 24 batteries in economical bulk packaging
Recommended uses: electronic door locks, blood pressure monitors, automatic faucets, remote security cameras and safes
Operating temperature: -20°C to 54°C
Individually date-coded batteries support efficient stock control, making this Procell Intense AA bulk pack a practical choice for commercial, industrial and security applications.
