

# Eclipse Maxi 24 Pack LED Recessed Colour Switch 90mm Cut Out Downlight in White

SKU: 170058

**Details**

The Eclipse Downlight is a versatile and dependable lighting solution designed to meet the needs of modern homes and businesses. Its 3-in-1 colour temperature feature gives you the flexibility to choose between Warm White for a cosy feel, Cool White for a bright and refreshing light, or Natural White for a balanced, neutral glow. Designed for efficiency and performance, this downlight uses just 8W of power to produce 800 lumens of evenly distributed light. Its wide 100° beam angle delivers seamless coverage, making it ideal for both task lighting and ambient illumination. The dimmable functionality allows you to customise brightness levels, ensuring the perfect setting for any moment. Safe and durable, the Eclipse is IC-4 rated, meaning it can be installed safely in insulated ceilings, and its IP44 water-resistance makes it a great choice for wet areas like bathrooms and kitchens or outdoor spaces such as eaves. Built to last, the Eclipse Downlight has an impressive lifespan of 25,000 hours, offering years of reliable performance, back by a 5 year warranty. Installation is straightforward with its 90mm cut-out size, ensuring it fits seamlessly into your space while delivering modern, efficient lighting. Pair the Eclipse Downlight with smart dimmers to create mood-perfect lighting for any occasion
