

Eclipse Mini LED Recessed Colour Switch 75mm Cut Out Downlight in Black

SKU: 178270

Details

The Eclipse LED Colour Switch Downlight is a versatile and efficient lighting solution for any modern space. Equipped with flex and plug for easy installation, this downlight is available in two sizes - Mini and Maxi - to replace old halogen downlights with 72-75mm and 90mm cut-outs respectively, which are the two common sizes for halogen downlights. Use these downlights for general lighting in any room, and choose the colour temperature that complements your decor and personal style. With the TRI colour feature, you can easily switch between warm white, cool white, and daylight, allowing you to create the perfect ambiance. Additionally, you can add a dimmer to achieve full control over the lighting intensity. The sleek and modern design of this downlight ensures that it will blend seamlessly with any decor. Upgrade your space with the Eclipse LED Colour Switch Downlight and enjoy its energy efficiency, versatility, and ease of installation.
