Details

The Enhance range of cluster plates plays on the idea of customisation and being able to create something unique. These cluster plates allow you to transform a single suspension pendant into a multi feature light whilst still using the single light point. These are available in 2 round sizes a 6 light and 10 light and also 2 rectangular options, an 11 light or 19 light in both white in black finishes. These are a slimline design plate, with the cable holes hidden to create a cleaner look on the ceiling.
