

Enhance Pendant Hook in Black

SKU: 291000

Details

Transform your lighting design with the versatile Enhance pendant hook, available in Black, White, Aged Brass, and Bronze.
Designed to support up to 3kg, this hook allows you to easily reposition pendant lights by draping cords, flex, or chains, adding a striking visual element to your space. Perfect for creating a 'swag' effect, the Enhance pendant hook lets you experiment with modern trends, such as swaying lights towards a central focal point. Whether for home or commercial settings, these hooks are the ideal solution for those looking to elevate their lighting with creativity and style.
TIP: Use multiple hooks to craft a cascading lighting effect or create depth in larger spaces.
