

Festoon Solar 12 Light LED Exterior String Light Kit in Black with Warm White

SKU: 220988

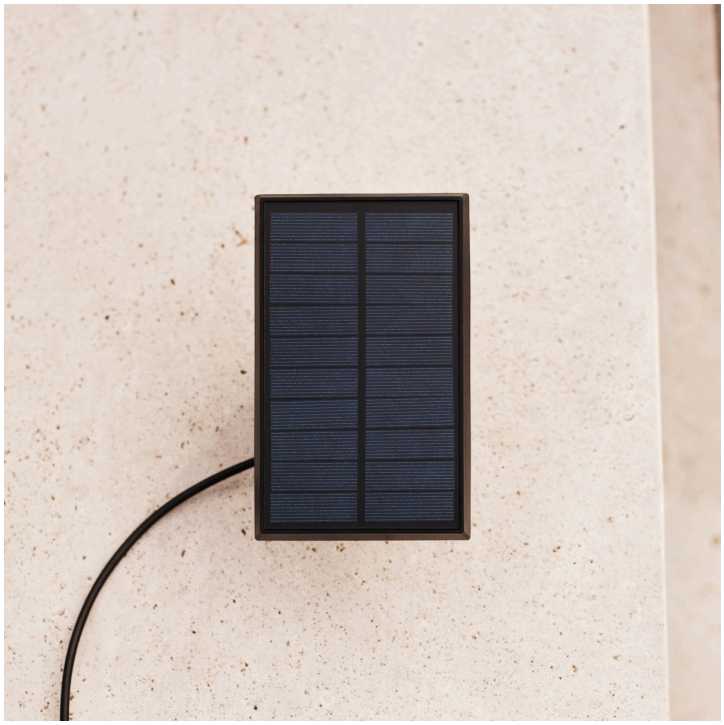

Details

The Festoon solar LED lights offer a convenient and atmospheric lighting solution for outdoor spaces without access to power. With a warm 2700K glow and a total length of 8 metres, they're ideal for gazebos, pergolas or remote alfresco areas. Finished in black with a coastal-rated IP65 design, the Festoon lights are built to handle outdoor environments with ease. The integrated solar panel provides a sustainable power source, making installation simple and flexible. Backed by a 5-year warranty, this set combines ease of use, durability and decorative appeal in one kit.
