

Firma 2 Light Table Lamp in Alabaster with White Linen Shade

SKU: 270430

$529.00 (inc GST)

Details

The Firma takes its form from a place of modern glamour, pairing natural Spanish alabaster stone with solid brass details and a soft white linen shade. Its refined silhouette and scale are ideal for creating a big impact in small spaces. Fitted with two globes, you can choose to light up the just base or the base and shade together. This one's a must-have! Alabaster is a naturally occurring material, so there will be slight variations in colour and pattern which makes every piece unique.
Note: the Firma requires 2x different globes, with a G9 globe in the base, and an ES/E27 Globe in the shade, both sold separately.

Specifications
