

Fjord 1 Light Flush Mount in Stone

SKU: 086602

Details

The Fjord 1 light flush is a stunning lighting fixture that embodies a modern, organic aesthetic with Japandi influences. Its pebble-like shape is both unique and stylish, adding a touch of natural beauty to any interior decor.
Available in white or stone, this flush mount perfectly complements the Fjord Pendant range, creating a cohesive and sophisticated lighting scheme in your home or office.
Crafted from high-quality materials, the Fjord 1 light flush in White is cast from gypsum, and has a soft and chalky texture with a smooth finish, adding a sense of elegance and refinement to its natural shape. The stone finish is cast from concrete, and has a warm stone colour with small pits and bubbles, giving it a natural look and feel.
Measuring 280mm in diameter, this flush mount is a perfect fit for any space, providing ample lighting while maintaining a streamlined profile. Its organic shape and natural finishes create a peaceful and serene atmosphere, making it an ideal choice for bedrooms, living rooms, and other intimate spaces.
The Fjord 1 light flush is a stylish and sophisticated lighting fixture that brings a touch of natural beauty to any interior decor. Its unique pebble-like shape and organic finishes, coupled with Japandi influences, create a sense of elegance and refinement that perfectly complements any modern aesthetic.
