**Details**

Introducing the Flinders Sculpt collection of exterior lights: a blend of style and durability designed for both outdoor and indoor spaces. Featuring a softly curved, sculptural form with rounded edges, Flinders Sculpt brings a refined architectural look to exterior lighting. Crafted with a ceramic finish and burnished treatment, these lights are available in wall light and spotlight variations, offering a contemporary aesthetic in green, white, and black options. Built to withstand coastal conditions with an IP65 rating, the Flinders collection ensures longevity and reliability. Each light comes with a 5-year warranty and features GU10 lamps, making it a practical choice for enhancing any environment. Embodying an exclusive design inspired by the Australian colour palette, these lights bring both functionality and visual appeal to your surroundings. Each piece in the Flinders Sculpt range is crafted from ceramic, a material known for its natural variation in colour and texture. Subtle differences in glaze, tone and surface finish are inherent to the ceramic manufacturing process and contribute to the individual character of each item.
