Details

The Focus track lighting kit is available in black and white finishes, offering a versatile track lighting option for contemporary interiors. The kit includes a 1 metre track with three adjustable track heads and GU10 LED globes, delivering a convenient all-in-one lighting solution. The spotlight heads provide tilt up to 90° and rotation up to 350°, allowing precise control of light direction. The minimalist cylindrical spot design blends easily into modern spaces while providing practical task or accent lighting. Suitable for living areas, hallways or kitchens, the Focus track lighting kit offers flexible directional lighting in a simple, easy-to-install format.
