

Galaxy RGB LED Floor Lamp in White

SKU: 250984

$59.95 (inc GST)

Details

The Galaxy RGB LED tower lamp brings colour and atmosphere to bedrooms, gaming setups and entertainment spaces. Its slim white design features subtle star cut-outs that create a decorative effect when illuminated, while fitting easily into corners and smaller spaces. Choose from a wide range of colours, animated lighting modes and brightness levels using the included remote control. A built-in sound sensor allows the lighting to react and change in time with music, making Galaxy ideal for parties, gaming or creating a more immersive ambience. The lamp is powered via USB-A for flexible placement wherever a compatible power source is available. Galaxy combines playful mood lighting with an understated design that looks just as neat when switched off.

Specifications
