

Gallery LED Wall Bracket Base Only

SKU: 231415

$129.00 (inc GST)

Details

The Gallery wall bracket is a versatile back-lit LED design made for modern Australian exteriors. Its sleek base pairs with interchangeable fascia plates available in two sizes and three popular COLORBOND® colour matches – Monument®, Surfmist®, and Dune® – allowing you to tailor the look to suit your space.
This coastal-rated wall bracket offers a customisable colour temperature of 3000K, 4000K or 5000K, easily adjusted via a toggle switch inside the fitting. Built with a durable plastic base and painted aluminium fascia, the Lucci Gallery is IP65 rated for reliable performance outdoors. Ideal for exterior accent lighting, it offers both style and flexibility for facades, entrances or architectural features.
COLORBOND®, ® colour names and ™ colour names are registered trademarks of BlueScope Steel Limited. Colour references are for 'matching' purposes only. This product is not manufactured from BlueScope's COLORBOND® steel, nor have they reviewed the colour match
