

GE 2.5W LED MR11 Globe in Cool White

SKU: 121965

Details

The GE LED MR11 globe is designed for precise, directional lighting in compact fittings. This 4000K cool white option delivers a crisp light tone suited to task-focused and directional lighting applications. Operating on 12V low voltage systems and constructed from glass, this non-dimmable globe is suited to small-format downlights, spotlights and track fittings. Backed by a 3-year warranty, it provides a reliable solution for both residential and commercial use.
