

GE 5.5W LED Colour Switch CCT MR16 Dimmable Globe

SKU: 121963

Details

The GE LED MR16 tri-colour globe combines selectable colour temperature and dimming functionality in one compact solution. A discreet toggle switch allows you to select between 3000K, 4000K or 6500K, offering flexibility across a range of applications. Featuring flicker-free LED technology and a durable plastic construction, this globe is well suited to spotlighting and task lighting installations. Backed by a 3-year warranty, it provides a practical option for both residential and trade projects.
