

GE 6W Premium Dimmable GU10 Globe in Day Light

SKU: 121972

$18.95 (inc GST)

Details

The GE LED Premium GU10 globe delivers powerful daylight illumination with added lighting control. Designed for GU10 fittings, it produces a bright 6500K output suited to task lighting and work-focused spaces.

With an output of 600 lumens and a 60-degree beam angle, this globe provides broad, even light coverage. Dimmable functionality allows light levels to be adjusted when used with compatible dimmers, offering flexibility across different environments. Measuring 5 centimetres in diameter and 5.5 centimetres in height, it combines strong performance with a three-year warranty for reliable long-term use.
