Details

The GE LED Premium hi-lumen GU10 globe provides strong, focused illumination suited to task-oriented spaces. With a cool white 4000K output, it offers clear, balanced light ideal for kitchens, work areas and commercial settings.
This globe produces 900 lumens from a 7.5W output, delivering high brightness with efficient energy use. A 60-degree beam angle supports controlled spotlighting, while a colour rendering index above 90 ensures accurate colour definition. Dimmable performance allows flexible control when paired with compatible dimmers. The GE LED Premium hi-lumen GU10 globe fits seamlessly into standard GU10 fittings.
