

GE 7.5W Premium Dimmable GU10 Globe in Day Light

SKU: 121968

$23.95 (inc GST)

Details

The GE LED Premium hi-lumen GU10 globe is designed for environments where maximum brightness and clarity are required. Emitting a crisp 6500K daylight output, it is well suited to task lighting and high-visibility applications.
Delivering 900 lumens from a 7.5W output, this globe offers powerful illumination with efficient performance. The 60-degree beam angle provides focused light distribution, while a colour rendering index above 90 supports accurate colour perception. Dimmable functionality allows adjustable light levels when used with compatible dimmers. The GE LED Premium hi-lumen GU10 globe is a high-performance option for demanding lighting applications.

Specifications

SKU	121968
Globe Type	GU10
Globe Shape	GU10
