

GE 7.5W Premium Dimmable GU10 Globe in Warm White

SKU: 121966

$23.95 (inc GST)

Details

The GE LED Premium hi-lumen GU10 globe is designed to deliver high-output performance for spotlighting and task lighting applications. Producing a warm white 3000K light, it provides strong illumination with a softer, more ambient tone. This globe delivers 900 lumens from a 7.5W output, offering powerful light output with efficient performance. A 60-degree beam angle supports focused illumination, while a colour rendering index above 90 ensures accurate colour appearance. Dimmable functionality allows light levels to be adjusted when used with compatible dimmers. The GE LED Premium hi-lumen GU10 globe is a reliable choice for high-performance GU10 fittings.

Specifications

SKU	121966
