

GE LED Bright Stik Multi-Watt Colour Switch CCT Dimmable ES Globe

SKU: 121955

Details

The GE LED CCT Bright Stik globe with ES base is a versatile lighting option designed for general-purpose applications. Its slim cylindrical form suits fittings where the globe is partially concealed, offering a practical solution for everyday lighting needs.

This globe features selectable colour temperatures of 2700K, 4000K and 6500K, controlled via a toggle switch on the side of the globe. Three brightness levels deliver light outputs of 500, 700 or 900 lumens, with dimmable functionality providing additional flexibility when used with compatible dimmers.

Measuring 3.7 centimetres in diameter and 11.7 centimetres in height, the GE LED CCT Bright Stik globe combines adjustable performance with a compact design backed by a three-year warranty.
