

GE Riker 1200mm LED Dual Wattage CCT Batten in White

SKU: 189302

Details

The GE Riker offers dual wattage flexibility (17W/36W) and a powerful 4550 max lumen output, paired with CCT switching (3000K/4000K/5000K) for ultimate versatility. Designed for fast installs, it features a separate mounting base and luminaire structure that connects via its internal quick-connect plug, plus large wiring terminals and multiple cable entry points making it a smart, high-performance choice for trade, all backed by a 3 year in-home warranty.
