

Glow Classic 10m 40W COB LED Strip Kit in Cool White, Low Output

SKU: 177738

\$129.00 (inc GST)

Details

The GLOW Classic 10m 40W Low Output Strip Kit delivers soft, continuous cool white illumination across longer lighting runs. Featuring dotless COB LED technology, this strip creates a smooth line of light without visible LED dots, making it ideal for extended cabinetry, laundries, kitchens, bulkheads and under-bench applications. Perfect for enhancing visibility and creating a clean, practical lighting effect, strip lighting adds both functionality and style to any space.

Includes a 10m LED strip, 24V driver and connector for LED strip-to-strip connection.

GLOW Classic strip lighting has a range of compatible optional accessories:

Glow Door Sensor (SKU 177743) – Automatically turns your strip lighting on when a door is opened and off when closed.

Glow Classic 6-Way Splitter (SKU 177744) – Connect up to six strip lights from a single power source.

Glow Classic 10m Wiring Extension (SKU 177745) – Extends the distance between your strip light and power source by up to 10 metres.

Glow Classic 5 x 1m Wiring Extension Leads (SKU 177746) – Includes five 1-metre extension leads for connecting strip lights across multiple locations.

Glow Classic Lucci Connect Smart Wi-Fi Controller (SKU 177747) – Add smart control to your strip lighting using the Lucci Connect app or compatible voice assistants.

Must be installed with the compatible aluminium profile SKU 177130-177140 to ensure proper heat dissipation and maintain product warranty.
