

Glow Classic 5m 50W COB LED Strip Kit in Warm White, High Output

SKU: 177739

$129.00 (inc GST)

Details

The GLOW Classic 5m 50W High Output Strip Kit delivers bright, continuous warm white illumination for applications where stronger light output is required. Featuring dotless COB LED technology, this strip creates a smooth line of light without visible LED dots, making it ideal for ceilings, front-facing applications, bulkheads and feature lighting. Perfect for enhancing visibility and creating a warm, inviting ambience, strip lighting adds both functionality and style to any space. Includes a 5m 50W LED strip, 24V driver and connector for LED strip-to-strip connection.

GLOW Classic strip lighting has a range of compatible optional accessories:

Glow Door Sensor (SKU 177743) – Automatically turns your strip lighting on when a door is opened and off when closed.

Glow Classic 6-Way Splitter (SKU 177744) – Connect up to six strip lights from a single power source.

Glow Classic 10m Wiring Extension (SKU 177745) – Extends the distance between your strip light and power source by up to 10 metres.

Glow Classic 5 x 1m Wiring Extension Leads (SKU 177746) – Includes five 1-metre extension leads for connecting strip lights across multiple locations.

Glow Classic Lucci Connect Smart Wi-Fi Controller (SKU 177747) – Add smart control to your strip lighting using the Lucci Connect app or compatible voice assistants.

Must be installed with the compatible aluminium profile SKU 177130–177140 to ensure proper heat dissipation and maintain product warranty.
