

Glow Classic Lucci Connect Smart WiFi Controller

SKU: 177747

$49.95 (inc GST)

Details

The GLOW Classic Lucci Connect Smart Wi-Fi Controller adds smart control to compatible GLOW Classic strip lighting kits. Connect your strip lighting to the Lucci Connect app to control on/off functionality, dimming, timers and automations from your smartphone or compatible voice assistant. This accessory also enables dimming for GLOW Classic strip lighting, which is otherwise non-dimmable with standard dimmers.
Includes smart Wi-Fi controller for compatible GLOW Classic strip lighting kits.
Compatible with GLOW Classic strip lighting kits: SKU 177735, 177736, 177737, 177738, 177739 and 177740.
Ideal for spaces where smart connectivity, schedules, automations or app-based dimming control would be beneficial.
