

Glow Dynamic 5m 20W Full Colour and White COB LED Strip Kit with Remote

SKU: 177755

Details

The GLOW Dynamic 5m 20W RGBIC Strip Kit delivers smooth, continuous full-colour illumination for feature lighting applications. Featuring dotless COB LED technology, this strip creates a smooth line of light without visible LED dots and includes remote control functionality to adjust brightness, colours and lighting effects. Ideal for kitchens, shelving, wardrobes, headboards, home offices, hallways and staircases, this strip lighting adds colour, functionality and style to any space.

Includes a 5m 20W LED strip, 24V driver, RF remote control and RF receiver with local control button.

GLOW Dynamic strip lighting has a range of compatible optional accessories:

Glow Door Sensor (SKU 177743) – Automatically turns your strip lighting on when a door is opened and off when closed.

Glow Dynamic 6-Way Splitter (SKU 177751) – Connect up to six strip lights from a single power source.

Glow Dynamic 10m Wiring Extension (SKU 177752) – Extends the distance between your strip light and power source by up to 10 metres.

Glow Dynamic 5 x 1m Wiring Extension Leads (SKU 177753) – Includes five 1-metre extension leads for connecting strip lights across multiple locations.

Must be installed with the compatible aluminium profile SKU 177130–177140 to ensure proper heat dissipation and maintain product warranty.
