Glow Dynamic 5m 38W Tunable White COB LED Strip Kit with Remote

SKU: 177748

Details

The GLOW Dynamic 5m 38W colour changing Strip Kit with Remote delivers smooth, continuous tunable white illumination for flexible everyday lighting. Featuring dotless COB LED technology, this strip creates a smooth line of light without visible LED dots and allows you to adjust the colour temperature from warm white to daylight using the included remote. Ideal for kitchens, bulkheads, wardrobes, shelving, home offices, hallways and staircases, this strip lighting adds both functionality and style to any space.
Includes a 5m 38W LED strip, 24V driver, RF remote control, RF receiver with local control button and 3-wire connector for LED strip-to-strip connection.
GLOW Dynamic strip lighting has a range of compatible optional accessories:
Glow Door Sensor (SKU 177743) – Automatically turns your strip lighting on when a door is opened and off when closed.
Glow Dynamic 6-Way Splitter (SKU 177751) – Connect up to six strip lights from a single power source.
Glow Dynamic 10m Wiring Extension (SKU 177752) – Extends the distance between your strip light and power source by up to 10 metres.
Glow Dynamic 5 x 1m Wiring Extension Leads (SKU 177753) – Includes five 1-metre extension leads for connecting strip lights across multiple locations.
Glow Dynamic Lucci Connect Smart Wi-Fi Controller (SKU 177754) – Add smart control to compatible GLOW Dynamic colour changing strip lighting using the Lucci Connect app or compatible voice assistants.
Must be installed with the compatible aluminium profile SKU 177130–177140 to ensure proper heat dissipation and maintain product warranty.
